
Doctor Who Zagreus Barnes Alan

canon-fodder: halo and horizontal remembering - doctor who offers a useful example of the advantages that fantasy-based transmedia have over other mimetic forms of storytelling in terms of maintaining – or indeed extending – canon. **bigfinish • new audio adventures** - jonathan barnes and it's been a great adventure for me. once again, it gives me renewed respect for those actors who play the doctor in our doctor who audio range. why? well, because, since i'm playing the title role, it is a timely reminder for me of how much pressure and responsibility lies on the shoulders of the leading actor. as you may know, we work at quite a pace, since all the ...
